PREFACE.

To the Citizens of Bevildere and Boone County:

In the compilation and publication of such a work as has been undertaken, requires the most careful attention in the collection of data in order to make it absolutely authentic and reliable in giving the information of which a work of this character aims to give, and in order to do this, we have had canvassers go over the field for information a second time and verify it in the most careful manner, and we sincerely trust that the work will meet fully the expectation and approbation of all, especially those who have so liberally contributed to its patronage and support. Thanking you for the kind consideration accorded us by the business men and press of Bevildere and Boone County, we are.

Very truly yours,

S. A. MILLS.

## BELVIDERE.

This city is beautifully situated on the banks of the Kishwaukee river, in the midst of a rich and exceedingly productive agricultural district, surrounded as it is with all the advantages necessary to a modern city, with its broad streets and avenues, finely shaded lawns, neat and attractive residences, substantial blocks and business houses, and important manufactory, the like of which no other city can boast; illuminated by electricity, a good system of water supply, gas, sewerage (natural), schools, churches, opera house, etc.; also recently constructed a street car system, now in operation, which is equipped with all the latest improved electrical appliances (connecting the north side with the south side of the river) covering about three miles of trackage.

Belvidere's history extends over a period of sixty-one years, during which time it has had its days of prosperity and adversity, yet it has had a steady, substantial growth since its inception and a bright prosperous future lies before her, judging as we do from the natural advantages with which she is surrounded, and the valuable resources, the enterprise and thrift that characterize her capitalists and business men.

### BRIEF HISTORY.

The early settlement of Belvidere was in 1835. The pioneers were Arcibald Metcalf, David Dunham, John K.
CITY DIRECTORY—BELVIDERE.

Towner, Cornelius Cline, Erastus A. Nixon, S. P. Doty and Dr. D. H. Whitney. In the same year the "Belvidere Company" was organized for the purpose of improvement, establishing a trading post and erecting saw and grist mills, and the projectors were Ebenezer Peck and Dr. Goodhue of Chicago. In 1836 a State road was put through, touching Belvidere. The first election was held that same year and the total votes cast were 37. In the fall of the same year a postoffice was established and S.S. Whitman appointed postmaster. A temporary organization was effected in 1847 in conformity with the State law, continuing for one year. It was reincorporated as a village in 1857 and the following officers were elected: Warren Pierce, Israel Tripp, D. W. Read and Cephas Gardener, board of trustees; the former was selected as president; which position fell to one of the ex-officio. During the intervening ten years the affairs of the village were administered by the county judge and two associate justices. In 1852 the Chicago & North Western Railroad Company finished its line to Belvidere. The Madison division was completed the following year. The Spring Valley division was put through in 1885. Belvidere became a city in 1882, incorporated under the laws of the State of Illinois. W. D. Swail was elected Mayor. Belvidere has now a population of nearly 8,000. The city boundary is W. 3/8 of section 25, the whole of section 26, the E. 3/8 of the N. E. 3/8 of section 35; the whole of the N. W. 3/4 of section 36 and 4 blocks in Highland's addition.

ALPHABETICAL LIST OF NAMES.

The following list of names has been secured by
making a thorough canvass of every township in the
county, giving the occupation and present postoffice
address of every adult above the age of sixteen years,
inclusive. Those owning land are designated by figures
set opposite their respective names, which indicates the
number of acres of land owned. No personal property
is mentioned.

When occupation is not given such persons are either
attendants of school or sons and daughters of land
owners and tenants who reside at the home of their parents.
Persons residing in Capron, Poplar Grove and Garden
Prairie, appear under the head of above named villages.

Some names appear twice, occasioned by their being
residents of the country and doing business in town.
The county and township officials' names appear
under the head of "Miscellaneous Information."
The school districts and trustees appear under the
head of each township in which they are located, also
churches, halls, creameries, etc.

Robert F. Bingenheimer is the grandpa of Tara Ann Johnson. See her father & Uncles biography. Robert was born Jan. 2, 1921 in Belvidere, Ill., the son of Michael J. Bingenheimer & Theresa Ann Marrin. Robert enlisted in WW II in Chicago, Illinois. He was in active combat duty with the U.S. Marines, in the South Pacific. Receiving 1 1/2 Fingers & receiving the Purple Heart Medal. After returning from the war he taught himself the electricians trade & continued this work until his retirement. He married Joan Mae Esther Yerk July 7, 1953 at St. James church. She was born Aug. 2, 1933 in Belvidere. She passed away Aug. 10, 1985. Children are James Bingenheimer, Julie Ann Bingenheimer, Robert F. Bingenheimer & Daniel Bingenheimer. Daniel Bingenheimer played basketball for Belvidere High School and was a exceptional basketball player at Mt. Carmel, Ill. Wabash Community College and Missouri Tigers at the University of Missouri at Columbia. Now playing both on full scholarships. He played one year pro ball for France. He now plays pro ball for Spain the last two years. Julie is Tara's mother.

Robert Sr.'s father Michael Bingenheimer was born in West Bend, Wisconsin Dec. 10, 1874. Son of Valentine Bingenheimer and Rose Amelia Wenninger. Valentine Bingenheimer father Henry J. Bingenheimer was born Oct. 10, 1817 in Selzen, Rheinland Province, West Germany on Rhein river south of Mainz. He was a Civil War Veteran in Company B, 17th Wisconsin Infantry. His parents & family arrived in N.Y.C. July 12, 1843 on ship Irad Perry. They went on to Milwaukee area. His father John Adam J. Bingenheimer was drafted by Napoleon in Europe. John's father was Johannes Jacobus Bingenheimer. Selzen was previously in province of Hess-Darmstadt in 1700's. See John Adam Joseph Bingenheimer pioneer certificate applications at Wisconsin State Hist. Library or West Bend, Wis.

Michael Bingenheimer came to Belvidere about 1913 from Minneapolis, Minn. He was a meat butcher. He went broke during the depression by giving the poor meat on credit. He never was paid. A Uncle Ferdinand Bingenheimer came here before him. A brother Charles lived in Rockford, Ill. Other relatives lived in Ill., Wis. & Minn.. Michael's wife Theresa Ann Marrin was born in Belvidere March 26, 1890, the daughter of Patrick Marrin II & Anne Hill. Marrin family donated the stained glass window at the St. James Catholic church.
