Preface

In presenting this our Fourth Volume of Bumstead's Belvidere City and Boone County Directory, including a complete list of names on the Rural Routes in Boone County, also a complete Street Directory of the City of Belvidere. The following Towns and Villages are presented: Caledonia, Capron, Garden Prairie, Herbert, Irene and Poplar Grove. We extend our warmest thanks to the numerous patrons of the work through whose liberality we are enabled to issue our Fourth Volume. We heartily appreciate the courtesy and support that has been shown the Directory by the Daily Republican, which has been of a great assistance to us. Those not conversant with the complicated nature of the work cannot form an adequate idea of the labor connected with getting out a first-class Directory. We trust we have fulfilled our promise to issue a good, up-to-date Directory. We will publish our Fifth Volume in 1912, and trust our present patrons will see their way clear to support us at that time.

This issue of the Belvidere City Directory contains 4,406 names, besides those of wives, which, multiplied by two and three-fourths (this being the minimum allowed to Directories) will give your city the total population of 12,327.

With these prefatory remarks we launch our book upon the sea of public opinion.

Respectfully,

BUMSTEAD & CO., Publishers.

Beware of Directory thieves and borrowe.

Melvin H. Johnson & Loretta D. (Svanon) Johnson Family

The Johnson's were early settlers in Illinois & Minnesota. The Johnson surname is considered German, because it is originally from Kronprinzenkoog & Marne, South Dithmarschen county, Holstein, Germany, N/W of Hamburg. In the records there the surname varies from Johannesen & Janssen. It is probably Danish back in the 1600's. The Johnson's have always married all or half German women. They were either E.Lutheran, Congregational or United Church of Christ. Founers & members up until we moved to Belvidere, Ill. in 1962. Also see the Martin Wm. Johnson & William Martin Johnson biographies.

Melvin H. Johnson was born July 26, 1914 in Glencoe, McLeod Co., Minnesota. He was first married to Freda Wilson in 1938 in Woodland, Washington State. Freda was born in Coquille, Coos Co., Oregon. Her parents were H. Wilson & Laura. Mel's second marriage was to Loretta D. Svanon May 2, 1947 in Berkeley, California. A daughter Phyllis Anne Johnson was born April 13, 1942 in Benton or Coos Co., Oregon. Her mother was Mel's first wife Freda Wilson. By his second wife Loretta were born two son's - Martin Wm. Johnson born July 6, 1948 in Rapid City, South Dakota. (Bill) William Martin Johnson born May 30, 1951 in Glencoe, Minnesota. Mel's marriage took place at the E.Lutheran Bethlehem church. Mel grew up on the 1862 Johnson farm homestead by Biscay, Minn. He graduated from high school several years early. He won the Minnesota State spelling Bee twice. He graduated from the Minnesota School of Business in the Twin Cities. Taking short hand & rapid calculations in math & other business courses. He wielded ships during WW II. In 1948 he went to work for Green Giant Co., at their main home plant in Le Sueur, Minn. He was transferred to Belvidere, Ill. in 1962 as warehouse superintendent. He convinced the home office to expand the Belvidere plants warehousing operation and made it a major distribution point for Green Giant Co. This is why the plant remained open when others just closed across into Wisconsin closed latter.

Since his retirement in 1975, Mel fishes and travels the year round. He is a past elected ruler of the Belvidere Elks Lodge no. 1500. He has given $2,000. to It's Elks National Foundation. He owns a small farm on the edge of Le Sueur, Minn.. Mel, Loretta & their son Martin Wm. Johnson plan on being buried in the Glencoe, Minn. City cemetery. Mel's great grandpa William Claus Christian Johnson was a corporal in the Union Army during the Civil War. He served at Chattanooga, Tenn. in Company L., first Minn. Heavy Artillery. His brother Peter M. Nicolas Johnson died there & is buried in the National Cemetery at Nashville, Tenn...

It only took one game for Dan Bingenheimer to become "Bingo" to Missouri fans.

Yet three years ago, Bingenheimer would have never dreamed of basketball success at a major college.

"I personally can't believe what all has happened," Bingenheimer said.

The 6'9, 230-pound forward from Belvedere, Ill., played on Belvedere High School's team his junior season, but sat on the bench. Bingo played sparingly as a senior and quit after nine games.

"I didn't play much my senior year and I didn't see any point to continue," Bingo said. "After graduation, I sat around for a year, just playing at the YMCA."

But while playing at the "YM", a Northern Illinois graduate spotted him and called his coach. Northern Illinois sent assistant coach Mark Coombe to watch him play. And that's how his college career began.

"When Coach Coombe was the head coaching job at Wabash (a community college in Mount Carmel, Ill.), I went with him," Bingenheimer said.

In his two seasons at Wabash, Bingo averaged 22.3 points and 10.3 rebounds per game, while shooting 55 percent from the floor and 67 percent from the line. He also set a Wabash career rebounding record with 688.

Bingo was a first-team all-America selection last season and was the MVP of the JUCO regional tournament. In his two-year stay at Wabash he posted 311 and 32.6 record.

Missouri assistant coach Bob Sundvold saw Bingenheimer play his freshman year at the National Junior College Championships in Hutchison, Kan., and was interested in bringing Bingo to Missouri.

"He fits the mold of a number of players who have succeeded here," Coach Norm Stewart said. "He's multi-talented in that he can pass and handle the ball, and shoot extremely well from the perimeter. He's the type of player we feel can make an immediate contribution and have a great deal of success at Missouri."

In his first game in a Tiger uniform (a 77-63 exhibition loss to Yugoslavia), Bingenheimer followed a missed Greg Caveren shot with a running slam dunk, electrifying the Hearnes Center crowd.

"The first game against Yugoslavia I was really nervous," said Bingenheimer, who finished with 10 points and four rebounds before fouling out with a little more than four minutes left in the game. "I didn't know what to think. I'll be a lot more relaxed and able to contribute to the team against North Dakota State."

Along with Caveren and forward Malcolm Thomas, Bingenheimer combines to give Missouri its own version of the "Bruise Brothers." Bingenheimer promises to give the Tigers consistent shooting from the 15-foot range and aid Thomas and Caveren on the boards.

"Last year, a lot of teams buckled in their zones against Missouri," Bingo said. "I think this year with Jeff Strong and Bill Roundtree we can hurt teams from the outside. Caveren is also a good passer for a big guy."

When asked what his goals were for the season, Bingo said, "I figure if the team has a good season and reaches its goals, I will personally have a good season."

"I've only worked on my fundamentals since my freshman year at Wabash. This year I want to become the best I can, and I know I'll do well."

For someone who didn't play much basketball in high school, Bingenheimer has made great strides and still has all season to reach his goals and those of the Tigers—to be the best they can be.
