COVID-19 Conduct Policy for Reopening
Approved by Trustees of the
Cherry Valley Public Library District
June 16, 2020

All individuals over age two who are able to medically tolerate a mask/face covering are required to wear a mask that covers their noses and mouths while in the Cherry Valley Public Library. Reasonable accommodations such as Parking Lot Pick Up service and online resources are available to those who are medically prevented from or decline to wear a face covering. All individuals are required to maintain a six-foot distance from others when practical. Those refusing to wear a face covering and/or maintain a six-foot distance when practical will be required to leave the library as outlined in the library’s Conduct Policy.

When the Illinois Department of Public Health declares that the state has reached Phase 5 of the “Restore Illinois” plan, this policy will be lifted automatically. The policy will be reinstated should the Illinois Department of Public Health determine that the state must return to any phase lower than Phase 5 of the “Restore Illinois” plan.

Masks are available to purchase for a nominal fee.
